COLLIDE: “Be Transformed” – Romans 12:2

When Jesus rescues us, He begins a process within us that takes each of us from where we were to a life that is secure and centered on Him. It is true that Jesus loves us just the way we are, but it is equally true that He loves us too much to leave us that way. Jesus gave His life so that we could have ours. Not just to have a mediocre life. Rather, His desire is that we live life fully with Him through being transformed in a way that is not known by this world.
