“ROOTED” Grow Deep. Live Strong. “GROW” 1 Corinthians 3:1-9

The growth of a Christian is complex and involves many change agents like God’s Word, fellowship with other believers, personal prayer and worship. These things are all very important, but they only serve to set up fertile soil in a Christians heart. The growth comes from God and his exclusive work in our lives. When we do what we can do to create an environment for growth, then God’s work in our lives can take root.

Spiritual growth is not an _____.

Spiritual growth needs the right _____.

Spiritual growth is not by _____ hands.

God is _____ in our spiritual growth.
