“ROOTED” Grow Deep. Live Strong. “PRUNE” John 15:1-5

Just as a plant is healthier after pruning and has revitalized growth, so a Christian experiences growth when unhealthy areas of their lives are trimmed or thinned. Though this process can be painful in the moment, the outcome is divine and beautiful. As a follower of Jesus we must see God’s work in our lives as something that has our best in mind and his glory at stake.

God has _____ expectations for us.

Rooted followers of Jesus must _____ for pruning.

Rooted followers of Jesus must deal with _____.

Rooted followers of Jesus resolve to _____ in Christ.
