Due to a limited number of treats that have been collected, a limited number of participants & the high costs of supplementing the offset of treats, the staff have made the collective decision to cancel Trunk or Treat this year. We are disappointed to make this decision, but we believe in the best interest of responsible stewardship that this is the way to proceed. Thank you to everyone who has signed up to volunteer and to anyone who has brought in treats. If you would like to collect the treats you brought in for personal use at home, please do so this week. They will be located across from the parlour. Whatever remains after this Sunday will be used for children & youth ministries or events. Thank you for understanding. -HBC Staff

Pastor Cody would like to thank all those who attended, participated in, or helped with his ordination service last Sunday. Your encouragement, support, and attendance meant so much and made the service and reception so very special! Thank you!

LOVE IN ACTION: "Serving Like Jesus" – John 13:1-17

Jesus took on the role of a servant and washed his disciples' feet. Serving others is a fundamental aspect of discipleship and it can have a profound impact on our families, communities, and the world. Serving others is a measure of Christian maturity and an important step in the process of becoming more like Christ.

Disciples follow Jesus' example by serving in _____.

Disciples learn that serving one another is never _____ us.

Disciples learn that serving one another is never about who they are, it's about who _____ is.

Disciples learn that we need to _____ others to serve us.

Disciples learn there is always a _____ in serving others.

Disciples learn that foot washing will never go out of _____.
